

Dear user,

This Newsletter is intended to provide you information on the upcoming technologies/news in the field of image geo-localisation and related issues and bring you up to date on the ongoing activities of the Tripod project.

Feedback from you is very welcome; your active involvement in this community will create a network of professional users providing authoritative opinions. Your feedback on the most relevant information/events and the most innovative/interesting technologies will be a precious contribution.

- **CALL FOR PAPERS**
Workshop on Geographical Information Retrieval GIR'08 - Call for papers
<http://www.geo.unizh.ch/~rsp/gir08/>
- **EVENTS**
ICT Event 2008
http://ec.europa.eu/information_society/events/ict/2008/index_en.htm
- **TRIPOD PROJECT**
Tripod website <http://tripod.shef.ac.uk/>
- **RELATED EUROPEAN PROJECTS**
"Mediterranean Islands 3D Aerial Navigation"
http://ec.europa.eu/information_society/activities/econtentplus/projects/geo/medisol_ae3d/index_en.htm
- Here below the list of applications, tools, technologies related to image geo-localisation. The list includes related links, articles of interest, eventual Tripod competitors.
 - **Geographic applications**
 - Hetmap <http://www.kinf.wiai.uni-bamberg.de/tp5/heatmap.php>
 - Sardegna Ricerche: Geo Web <http://geoweb.crs4.it/doku.php>
 - Sardegna Ricerche: Geo Web
<http://opensource.crs4.it/geopixrun/script/index.html>
 - PANEDIA <http://maps.panedia.com/>
 - TRIPOST <http://www.kinf.wiai.uni-bamberg.de/tripost/>
 - Ovolab Geophoto <http://www.ovolab.com/geophoto/>
 - locr GPS Photo <http://www.pocketpcitalia.com/News/2007/10/locr-GPS-Photo-un-programma-g/>
 - GPS, orientation sensors, 3D graphics, live video, several web services and a novel user interface into an intuitive and light navigation system for mobile devices <http://www.enkin.net/>

Applicatons

- http://www.esa.int/esaCP/SEMK2B3XQEF_index_0.html
- GPS DigiCam with intelligent tagging software
<http://www.crowdsprite.com/idea/gps-digicam-with-intelligent-tagging-software>
- Geocorder <http://www.halfbakery.com/idea/geocorder>
- Window To The World
<http://www.yankodesign.com/index.php/2008/02/22/window-to-the-world/>
- Photosynt
<http://labs.live.com/photosynth/view.html?collection=sanmarco/index1.sxs>
- MySky GPS Star Tracker <http://www.thinkgeek.com/gadgets/electronic/956a/>

Zooming tools

Articles

- "Google experiments with next generation image search"
<http://www.techcrunch.com/2008/04/27/google-experiments-with-next-generation-image-search/>
- "Make 3D: Turn a 2D Picture into a 3D Model"
<http://www.techcrunch.com/2008/02/27/make3d-turn-a-2d-picture-into-a-3d-model/>
- "Vodafone Otello-Image based search engine"
<http://symbianwebblog.wordpress.com/2008/03/04/vodafone-otello-image-based-search-engine/>

TRIPOD staff will continuously collect relevant information in order to provide you a periodical updated Newsletter.

The TRIPOD Community is enlarging its membership; new members are very welcome so if you are connected with users willing to join our community, please put them in contact with us.

Thank you for your collaboration

Kind regards

The Tripod team
